IT'S TIME TO RENEW YOUR TSRA MEMBERSHIP FOR 2016

We again invite you to renew your membership in the Textron Systems Retirees Association.

Whether you have been drawn by TSRA's mission to advocate for the protection of your benefits, promote on-going social contact, provide information and education on retirement issues, or by some combination of these three core objectives, you can be sure that your TSRA leadership is committed to offering you services and programs to meet the needs and wants of all its members.

As TSRA enters its **16th** year of service, the Board of Directors is pleased to acknowledge the sustained level of its membership since its inception in 2000. The current year includes approximately **550** members. The Board also appreciates the **contribution and leadership provided by so many members**. Their involvement has enabled TSRA to offer a broad spectrum of services and programs. We view this level of support from both members and volunteers as evidence that we have been successful over the years in identifying and delivering programs and activities that are meaningful and important to our constituency.

Guidelines on Completing the Application Renewal Form

In order for us to communicate with you about membership and important events it is necessary that you keep us posted of any changes in your address, and communication modes. When you have any of these events happen: 1) changed telephone providers or internet (e-mail provider), 2) moved to new location or added an off- season location, please remember to convey this information to us. It is real easy to do. First a Note on an important change in our delivery protocols **regarding your primary mailing address**. Namely, make sure your primary address is correct and up to date. This year we have been experiencing a significant increase in **returned (undeliverable) mail**. The majority of this is to vacation (alternate) addresses provided by members that are no longer in service or are out of season. To make sure we find the best way to ensure you get your mail from TSRA, we will no longer address mail to alternate addresses. We suggest that individuals make use of the Post Office Service of **“temporary change of address”** for those times you are at your vacation home. The service is free and can be used for those times you are away from your primary residence. It works especially well for those who rent vacation homes that are different every year or so. We believe this will provide more reliable delivery of mailed messages from TSRA as well as other mail you receive. If there are extenuating circumstances that make this inconvenient please let us know by contacting us at tsramembership@tsretirees.org. Now back to our change notification options.

Changes to your information

There are a number of ways this can be done. Also, if there is a change in your marriage or partnership status that you want to be included or deleted from your information, please let us know. Use any of the methods below and we'll do the rest!

1. US Mail -You can go to the TSRA Web Site (www.TSRetirees.org) click on “about us/membership/application”. Ignore all the stuff about paying and write in the changed information along with you name. **Don't repeat information that's unchanged**. If you want something deleted so indicate. Print and send us this form to the address indicated on the form.
2. E-mail- Go to the TSRA Site (www.tsretirees.org) go to “about us/contacts/membership committee”. This will open up an e-mail form already addressed to the right people. All you have to do is tell us of the changes to your information (don't forget to give us your full name as e-mail addresses don't always relate to your real name!) Push “send” and we'll get the information.
3. E-mail (second choice) if number 2 above doesn't work, just send an e-mail with the information as described above to tsramembership@tsretirees.org
4. Questions on anything about TSRA or the need for other information about retirement and you're not sure who to ask? Please feel free to contact us at any time regarding any questions you may have at tsramembership@tsretirees.org.
